Happenings of Interest from Different Sections.

"Aunt" Mary Prindle of South Hero, 97 years old, has been slightly ill for the past few days.

The annual county play festival will be held at the Woodstock county fair grounds Saturday, June 7.

Rev. Thomas S. Ockford, a former rector in Northfield, died this week in Port Layden, N. Y. Burial was in Northfield. Mrs. Ockford died about a year ago.

Mr. and Mrs. L. W. Fletcher of Belows Falls announce the marriage of their son, First Lieut. Allen Fletcher, to Anna, daughter of Mayor Scharles, at Niederreorn, Luxemburg, on May 7.

Dexter H. Hathaway, who represented the town of Timbath in the legislature of 1894, died at his home in that place June 4 at the age of 78, after a long illness. He had always been prominent in local affairs.

Sometime Monday night, the store of Clayton W. Hanks in Middlebury was entered and \$4.85 in silver was taken and 15 pennies. Nothing else was touched. There have been several of these little breaks in Middlebury.

Walter Mason, an employee of the carding room of the Dewey woolen mills at White River Junction, had one hand taken off by one of the carding machines June 4. He was taken to Mary Hitchcock hospital at Hanover, where he is making good progress.

James H. Varley, arrested by the Rutland police for intoxication, proved to be a man wanted for more than that, as when he was searched, wine was found upon his person alleged to have been taken from the saloon of Louis Ricci when it was burglarized recently. He admitted stealing them and was sentenced to two years in state prison, the intoxication charge not being pressed.

H. A. Hollenbeck's garage in Stowe was broken into one night this week and boys took his machine for a joy ride. When returning it, they ran into the mill yard and drove into a log, badly damaging the machine. The authorities got busy at once and as a result William Goss and Olen Richardson confessed their guilt. The former was sentenced to from five to six months at Windsor and the case of the latter was continued.

When the auto of Martin Turner of Barre, in which he was riding with his wife, went into a ditch near their home on Monday evening, in which Mrs. Turner received a sprained ankle, they left the car where it was ditched and walked home. Later a car came along and, seeing the Turners on its side, lighted a match to see if anybody was under it. The match they threw into what they thought was water but what proved to be gasoline. This flamed up and the car was soon enveloped in flames, and was completely burned up.

Elwin Gibson and Robert Badger, young men who robbed a house in Acworth, N. H. Sunday, and came to Belows Falls Monday and succeeded in raising money in local banks on forged checks, were June 4 taken to Claremont, N. H., on an order of the prosecuting attorney for Sullivan county, N. H. They will be given a hearing there. Gibson gave his home as Hartland, Vt., and Badger claimed to live in White River Junction.

Propositions are being considered for establishing an open zone for deer around the property of the Connecticut Valley Orchard company in Brattleboro. The company has more than 7,000 trees and in recent years has sustained great damage from deer. Frank H. Braser of Brattleboro, superintendent of the Eastern Organ company, has made similar application in respect to his property in Marlboro.

A \$500 damage suit, alleging alienation of affection, was filed in the county clerk's office at Brattleboro June 4 by Alfred L. Poupart against Samuel Boyd, both of Wilmington. Poupart is foreman in a bobbin factory and Boyd is a farmer. He claims that Boyd induced Mrs. Poupart to leave her home on May 5 of this year. Poupart also filed a petition for divorce on statutory grounds and asked for the custody of three minor children.

Mrs. Amy (Weeden) Richmond of Brattleboro filed a petition for divorce from Abbott B. Richmond on the grounds of intolerable severity, neglect and refusal to support. Mr. Richmond is a son of Mr. and Mrs. Solon A. Richardson, his father being chairman of the Brattleboro board of selectmen. The petitioner, whose mother is in business in Boston, asked for the custody of her 16 months' old child. The couple at the time of their marriage a little over two years ago, were prominent in the social set of the town. Mr. Richardson is now running a garage in Kentucky.

An appropriation of \$235,000 was made for the administration of the office in Brattleboro of Frederick L. Houghton, secretary of the Holstein-Friesian association of America at the annual meeting of the association in Philadelphia June 4. Mr. Houghton was re-elected secretary by the unanimous vote of about 3500 members present. The extension work of the association is now done from the office at Brattleboro.

HEALTHY BOWELS

Nine-tenths of human sickness, from infancy to old age, comes from stomach or bowels being out of order.

Headaches, tired feeling, nervous depression, weakness, spots before the eyes, bad breath, sleeplessness, irritability, dizziness and many other signs of sickness, all of which you can treat the stomach and bowels right and get them into working order.

The prescription, known as Dr. True's Elixir, has done wonders for sick people, men, women and children, because it is the remedy that you can rely on to set things right in the stomach and bowels.

Sold by all druggists, big or little, everywhere. Druggists, as a rule, are very honest. They do not try to substitute something else for Dr. True's Elixir, because they know its value. Many druggists use it in their own families.—Adv.

38 Head

Including 20 Cows, 5 Bulls, and 13 Heifers

They are a choice lot and know their business. Part of these cows have been making all winter and will freshen this fall, and part of them are fresh. Some of them are giving from 40 to 50 pounds of milk per day at the present time. They are good individuals with good breeding. Three of the foundation cows were sired by Rooda DeKoul of Pine Grove, Mo. 58260; three descended from Fuelle Mechthild, butters 7 days, 35 lbs. when 11 years old, one grand-daughter of Rag Apple Korndyke 8th just fresh. These cows are nearly all with calf by a good son of Rag Apple Korndyke 8th, namely, Korndyke Rag Apple Duke, No. 107104, that heads the herd. This bull is a picture of his sire. "The greatest bull in the world," and is proving to be a strong sire. His calves all have a straight top line, wide loin, wide spread of chest, long hip and large, deep barrel, the real dairy type. There is a resemblance of vigor and strong constitution among his daughters.

The dam of this sire is a granddaughter of Pontiac Korndyke and she made over 21 lbs. of butter in 7 days, giving 80 lbs. of milk per day on silage that had been frozen and without alfalfa or sugar beets. She was also thin in flesh when she freshened. She has just been purchased by Mr. Fairbanks of Massachusetts, who is certain that she will make a 30-lb. record.

Remember the herd sire, Korndyke Rag Apple Duke, has a sister that is the world's champion 3-year-old, 42.41 lbs. butter in 7 days, and another sister with a 7-day record of 44 lbs. she being the youngest 30-lb. cow in the world. He also has 7 sisters with records above 30 lbs. in 7 days. His sire sold at public auction last month to Robert Pointer, Detroit, Mich., for \$125,000. Another brother, King Ormsby-Jane Rag Apple, sold for \$53,200 to D. W. Field, Brookton, Mass., another was sold to T. J. Shanahan, East Aurora, N. Y., for \$35,000, and one A. W. Green, Middlefield, Ohio, paid \$20,000 for one and \$80,000 for another. Fifty-seven of his brothers have sold for \$25,000, an average of \$4,000. A calf from this sire is sure to be a money-maker and you can buy them at this sale at your own price.

Four head consigned by L. H. Anderson, West Glover, Vt. One is a bull that is out of an 18-lb. 2-year-old, and a grandson of King Korndyke Sadie Vale. His 14 nearest dams average butter 7 days, 28.14 lbs.

Every animal has been tuberculin tested by the federal government and will positively be sold to the highest bidder as represented. Send for descriptive catalogue.

Remember the time and place—Tuesday, June 10, at 1 p. m., at the Perkins farm, Hardwick, Vt.

Dinner served to those coming from a distance. Buyers met at the train if they will notify us.
